

Gearbox and Winch Repairs and Services

Alatas can supply spare parts for a wide range of ship and offshore crane gearboxes and winches. Parts available including bearings, seals, circlips, casings, shafts and cylinder heads.

Alatas can also carry out refurbishments of many different crane gearboxes and winches. Refurbishments can cut delivery times of these units significantly.

Types Covered

Zollern, Siebenhaar, Braden, Sauer Sunderstrand, Hagglund, Lohmann + Stolterforth, Liebherr, Hamworthy and many others.

Spare Parts

Parts can be manufactured against sample. Manufacture of special bearings, obsolete bearings and parts. Full hardening service.

Other Services

Cylinder repairs.
Hydraulic pump and motor repairs.
Hydraulic pumps and motor sales.
Specialist part manufacturing.
